Temasek Foundation International Leaders in Urban Governance Programme

Mayoral
programme
for urban
practitioners

The Temasek Foundation International Leaders in Urban Governance Programme (TFILUGP) is a 5-day mayoral and executive workshop targeted at international city leaders. TFILUGP is a practitioner-oriented programme to share knowledge of the guiding principles which contribute to high-density and high-liveability urban development and management. This programme is open to top office holders from Asian cities interested in learning from Singapore's urban development experience.

Through seminars, panel discussions, site visits, and dialogue sessions, the Programme will explore the following key themes:

- *Integrated long-term planning*
- *Liveable high-density communities*
- *Governance & infrastructure*
- *Sustainable development*
- *Competitive economy*

Participants from the 5th TFILUGP with Mr Desmond Lee (Second Minister for National Development).

What TFILUGP offers

- Mastery of the Singapore Liveability Framework, with best practices and insights in development strategies.
- Closed-door dialogues with past and present Permanent and Deputy Secretaries, and agency CEOs on current topics e.g. industrial infrastructure, urban redevelopment.
- Expert-mentored Action Plan for cities to implement over one year.
- Networking and Peer Learning with experts and participating city leaders.
- Site visits to experience urban solutions first-hand e.g. revitalising Singapore River, planning and managing Toa Payoh New Town.

[Final fees will be confirmed closer to the programme.]

Sponsorship from Temasek Foundation International is available. Eligibility criteria apply. See application form for details.

The Centre for Liveable Cities (CLC) was set up in 2008 by the Ministry of National Development (MND) and the Ministry of the Environment and Water Resources (MEWR). The CLC's mission is to distil, create and share knowledge on liveable and sustainable cities. CLC's work spans four main areas – Research, Capability Development, Knowledge Platforms, and Advisory. Through these activities, CLC hopes to provide urban leaders and practitioners with the knowledge and support needed to make our cities better.
