

Temasek Foundation Leaders in Urban Governance Programme

14 – 18 November 2022

A mayoral programme
for urban practitioners

The Temasek Foundation Leaders in Urban Governance Programme (TFLUGP) is a 5-day mayoral and executive workshop targeted at top leaders from Asian cities. A practitioner-oriented programme, it aims to share knowledge of the guiding principles which contribute to high-density and high-liveability urban development and management through the Singapore's urban development experience.

The Programme will explore the following key themes:

- Integrated long-term planning
- Infrastructure Financing
- Resilient and sustainable environment
- Competitive economy
- Strong and inclusive communities

What TFLUGP offers

- Mastery of the Singapore Liveability Framework, with best practices and insights in development strategies
- Dialogues with key leaders who have inspired Singapore's transformation within the last 50 years
- Mentoring of City's Action Plan with CLC's Resource Persons
- Opportunity to pitch City's Action Plan to relevant International Organisations and private sector representatives
- Networking and Peer Learning with participating city leaders
- Site visits to experience first-hand the implementation of urban solutions e.g. revitalizing the Singapore River, development of new towns

Testimonials

“It was a great networking experience with private sector companies, city mayors and technical experts at the programme. It was very meaningful with a lot of lessons learnt.”

Mr Vichak Cheav, Deputy Governor, Preah Sihanouk, Cambodia (TFLUGP 2019 Alumni)

“The breadth of topics and programme structure were just right to provide a broad understanding without being too overwhelming... Learning by seeing was very insightful.”

Aidos Zhexenbay, Vice-Chairman, Almaty City Development Centre, Kazakhstan (TFLUGP 2016 alumni)

“I really appreciate the experience and learnt a lot.”

Chen Rugui, Executive Vice Mayor, Guangzhou Municipal Government, China (TFLUGP 2014 alumni)

“The programme will be useful for local city planning and administration for sustainable development.”

Burla Ramanjaneyulu, then Commissioner, Greater Visakhapatnam Municipal Corporation, India (TFLUGP 2012 alumni)

Past Speakers

Mr Desmond Lee
Minister for National Development,
and the Minister-in-Charge of Social
Services Integration

Dr Liu Thai Ker
Former Chief Planner and Chief
Executive of the Urban
Redevelopment Authority

Mr Peter Ong
Chairman of Enterprise Singapore

Dr Cheong Koon Hean
Former Chief Executive Officer of the
Housing and Development Board

Application

Cities are invited to nominate teams headed by a city leader (governor/ mayor/ municipal commissioner) together with two other senior officials responsible for urban planning, development and governance. Cities should submit a concept paper on an urban challenge they wish to implement over a year.

Scan here for more details.

Selection Criteria

- Fluency in spoken and written English.
- Relevance of proposed project to making highly dense cities more liveable.

Programme fees

S\$12,000*/participant (includes accommodation)

**Final fees will be confirmed closer to the programme. Sponsorship from Temasek Foundation is available. Eligibility criteria apply.*

CENTRE for
LiveableCities
SINGAPORE

The Centre for Liveable Cities (CLC) was set up in 2008 by the Ministry of National Development (MND) and the Ministry of the Environment and Water Resources (MEWR). The CLC's mission is to distil, create and share knowledge on liveable and sustainable cities. CLC's work spans four main areas — Research, Capability Development, Knowledge Platforms, and Advisory. Through these activities, CLC hopes to provide urban leaders and practitioners with the knowledge and support needed to make our cities better.

TEMASEK
FOUNDATION

Temasek Foundation (TF) supports a diverse range of programmes that uplift lives and advance communities in Singapore and beyond. Temasek Foundation's programmes, made possible through philanthropic endowments gifted by Temasek, strive towards achieving positive outcomes for individuals and communities now, and for generations to come. Collectively, TF programmes strengthen social resilience, foster international exchange and regional capabilities, and advance science and nature.
